

Yellow Zone International  
Presents

# Pixel Yourself By The River: The Kaleidoscope Fish

**Who:** YOU and everyone you know!  
This event is perfect for friends, families, clubs, and teams!

**What:** A giant interactive piece of art which will be featured on YouTube.com.  
Each person represents a “pixel” by holding up a piece of the puzzle.  
At the signal, all the pixels will move together and form one BIG picture!

**When:** **Saturday, June 26<sup>th</sup> from 2:30 – 3:30 PM**

**Where:** At the **River Rendezvous** festival in downtown Manitowoc  
“The Kaleidoscope Fish” will be across the street from the  
Manitowoc Public Library, in the Farmers’ Market parking lot

**Why:** Because no one has ever done it before (that we know of!)

As the narrator tells the story of “The Kaleidoscope Fish,” everyone will get into place. As the story unfolds, all of the separate, brightly-colored fish will become one huge Kaleidoscope Fish, and the whole performance will be filmed from above—giving the impression of many different colored pieces (pixels!) turning into a kaleidoscope-like image. **It’s performance art!**

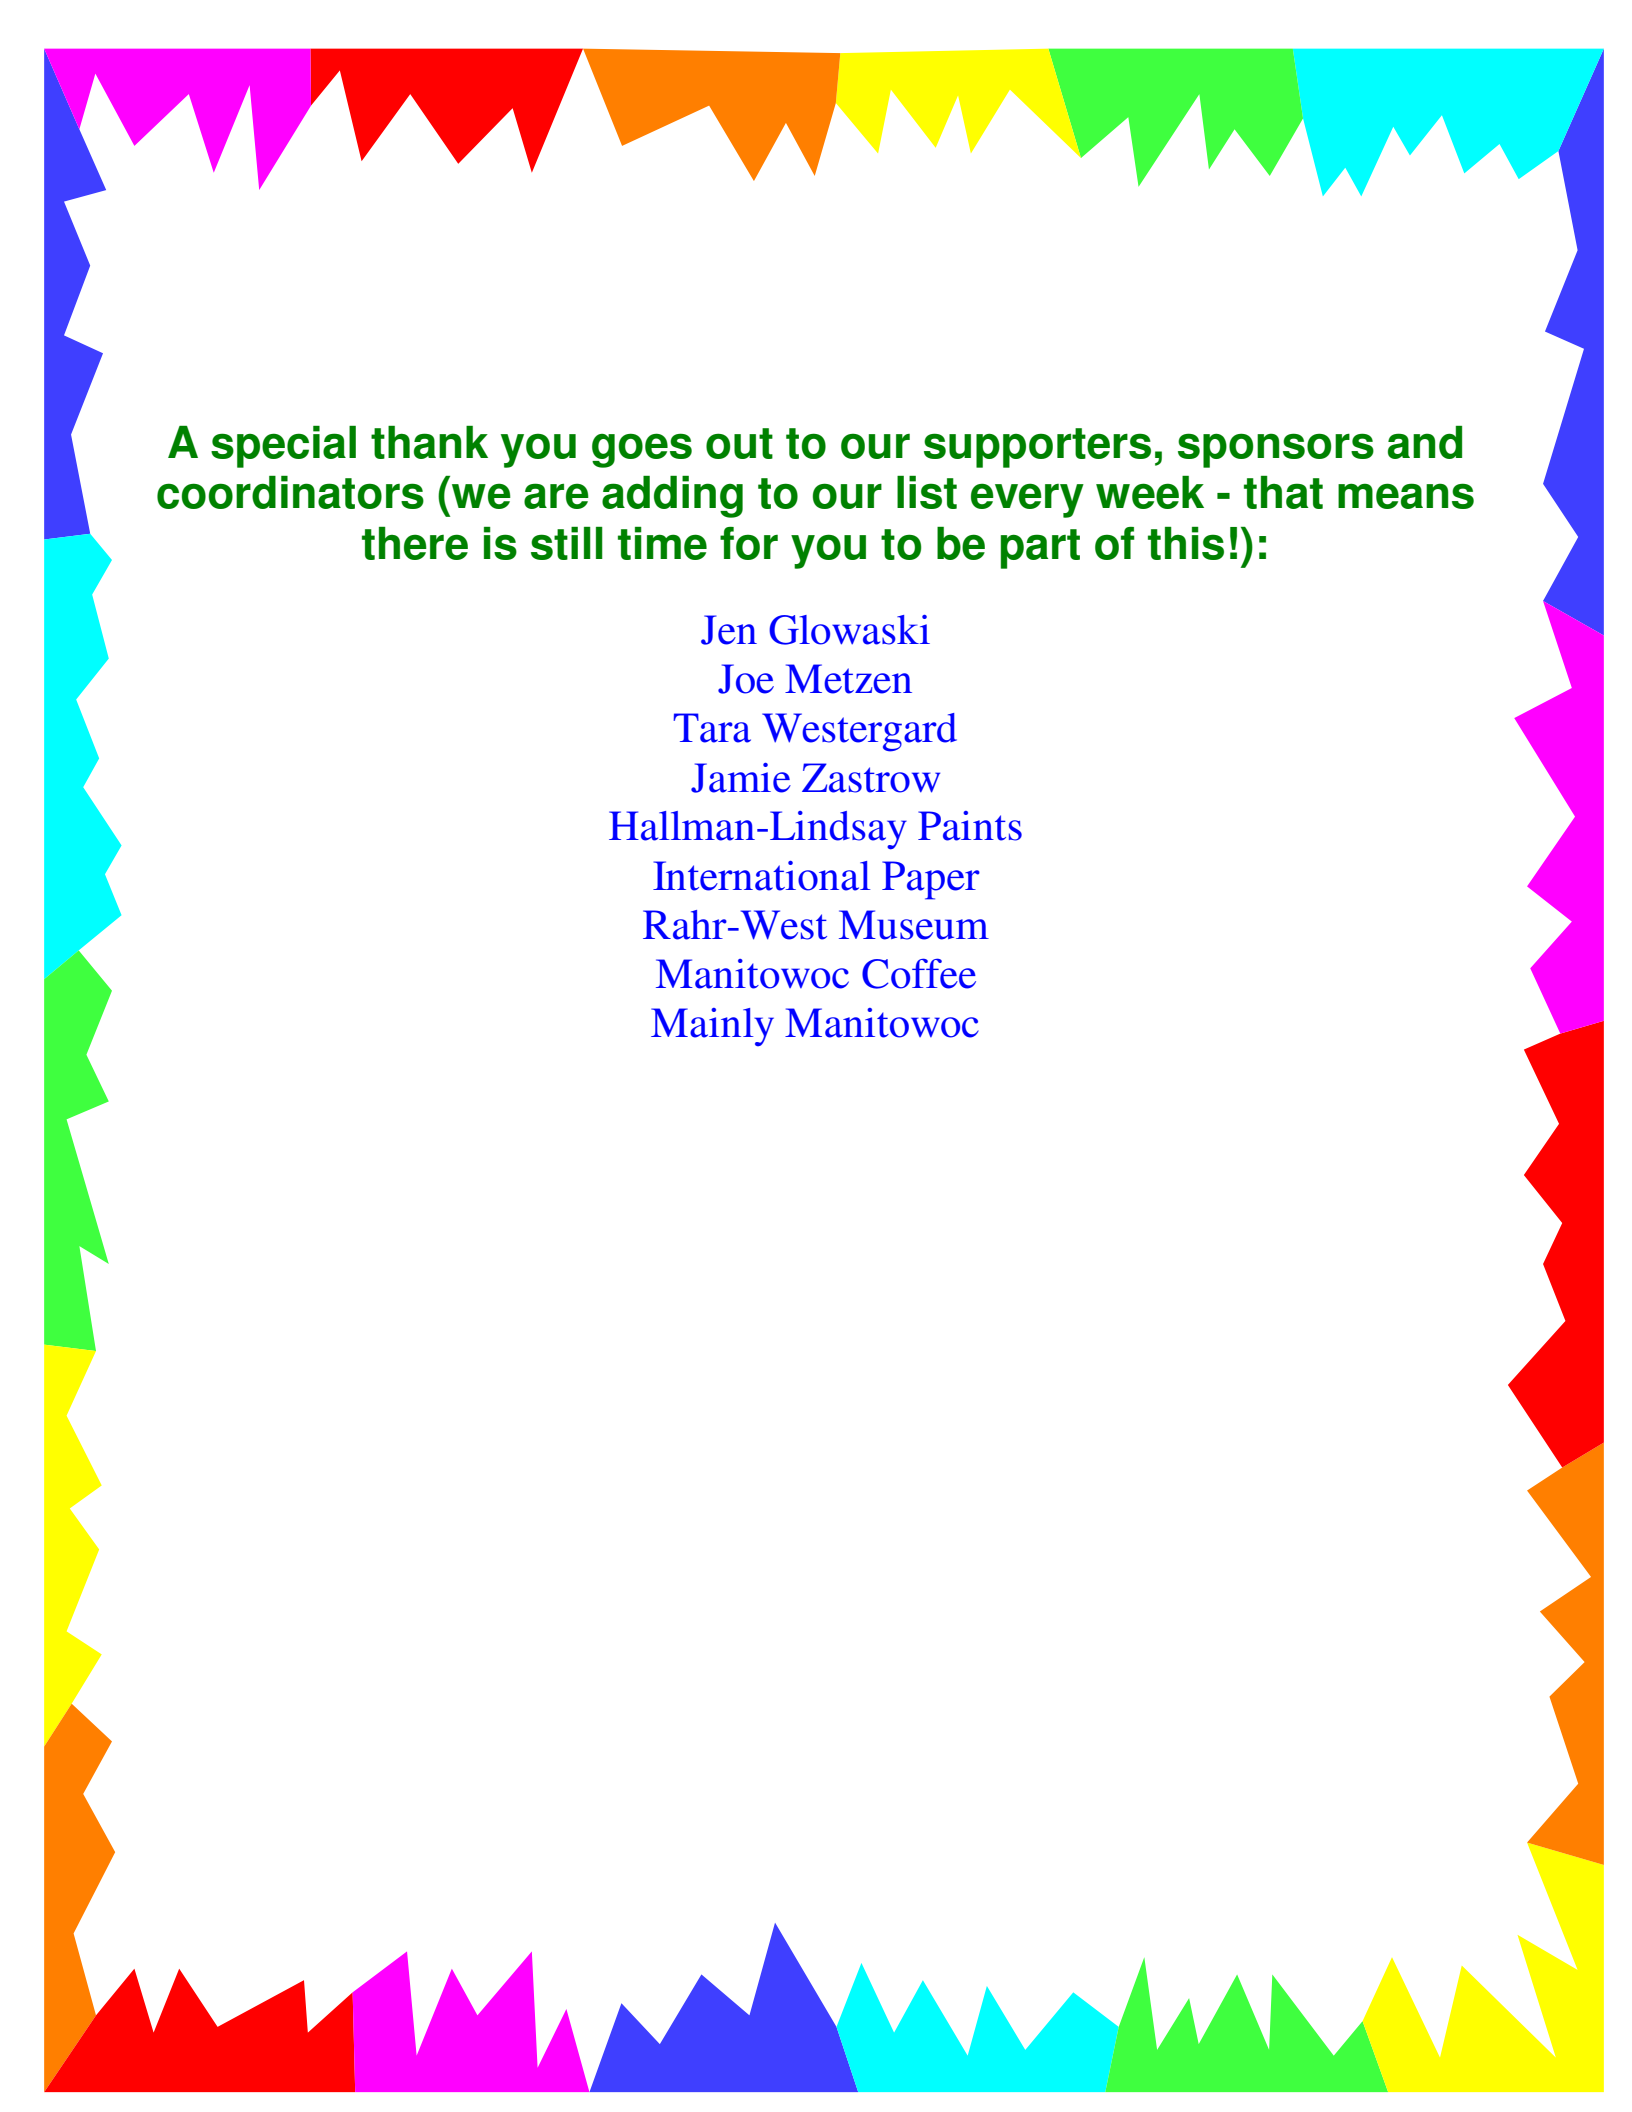

**Anyone can  
participate!**

**It will take  
ALL OF US  
to make it  
work!**

If you would like to help decorate the "pixel" pieces (happy faces and fish), be a sponsor, donate supplies, bring a group, or display some of the "pixel" pieces after the event, please contact:

**Juliet Kosarzycki   Yellow Zone International   920-682-5015   [Juliet@YellowZoneInternational.com](mailto:Juliet@YellowZoneInternational.com)**

**A special thank you goes out to our supporters, sponsors and coordinators (we are adding to our list every week - that means there is still time for you to be part of this!):**
