

The Cost of Productivity

**"On average, employees waste 1.44 hours each day on non-productive activities."
Gallup News Service**

Do the math, what is this loss costing you daily or even yearly?

Do you find the day is never long enough?

What is your biggest challenge and what would it be worth to eliminate it?

Do you want to join the thousands of leaders who have discovered more of their potential and produced profitable results?

Executive Leadership Showcase

Effective Personal Productivity Process

Measurable ROI Guaranteed

We know that this process can have a profound positive effect in helping you develop more of your organizational and personal leadership potential to achieve "What Matters Most" for your personal and organizational success.

We would like to announce the Leadership Management Institute Executive Leadership Showcase starting in September.

This process will help you successfully achieve your organizational and personal goals with measurable results.

The Executive Leadership Showcase is a process proven over 40 years that delivers measurable results. Here are some of the many benefits you will receive from participating:

- **Guaranteed Results**
- **By spreading this Program over a 9 week period, time commitments are not burdensome**
- **New productive behaviors are applied directly to daily issues**
- **The ability to understand and stay focused on your high payoff activities (activities that drive income and satisfaction in all areas of your life)**
- **Improve communications with your team**
- **Become more organized and effective**
- **Time tested proven processes and tools are used**
- **Increase your effectiveness and that of your team**
- **Convenient and affordable**

The next Executive Leadership Showcase group is starting soon. Call now for dates.
Please call quickly while there is seating available to discuss how you can be part of this Executive Leadership Showcase group. Seating is limited to 10. Sessions can be conducted virtually or in person.
